PSO Executive Committee

Praise the Lord to all the Bishops, Pastors, Elders, Ministers & Members of Pentecost Sunday Ohio (PSO). The "Winds of Pentecost" are blowing!

Excitement is building for this year's gathering! The Executive Committee of PSO has been in contact with you via letter about this year's special services, and wants to keep your heart on the pulse of PSO with information. It is our sincere desire and prayer that your enthusiasm for the church being "on one accord, of one mind" not diminish, but grow stronger as Pentecost Sunday draws near.

Pentecost Sunday Ohio was formed for the purpose of fortifying the Church at Columbus, and to set the general tone of services for Pentecost Sunday. The birth of the Church as recorded in Acts 2 is being celebrated annually in Columbus as a result of our visionary, Bishop James Gaiters, Sr. The intent is **not to form an independent organization**, but that the churches and organizations will come together "on one accord, in one place" for worship, fellowship, and most importantly, salvation of souls for the Kingdom of God.

**PSO Prayer Services.** Dr. Martin Smith, Administrator. In preparation for Pentecost Services, churches are requested to hold special weekly prayer services beginning after Palm Sunday, Monday April 18th, 2011. The prayer focus is based on John 17:11: "Holy Father, keep through your own name those whom you have given me, that they may be one, as we are." Please submit your prayer service time to be posted on our web site. Where possible, each church is asked to partner with other churches in your area for these special prayer services, and to set-up a round-the-clock prayer vigil in your church.

**PSO Teams.** Pastors, in order to continue with the theme of making a difference for Pentecost, we ask *You* to permit and encourage your church members to get involved with each component of the services. You can appoint a coordinator from your church to recruit members for teams. Bishop William Polley is the chairperson for the Team Leaders, and will schedule a meeting in April to get organized. Then, your coordinator can contact the team leader to get the date the individual team will meet.
